

OR 217 AUXILIARY LANES PROJECT

Hall Boulevard overpass closure

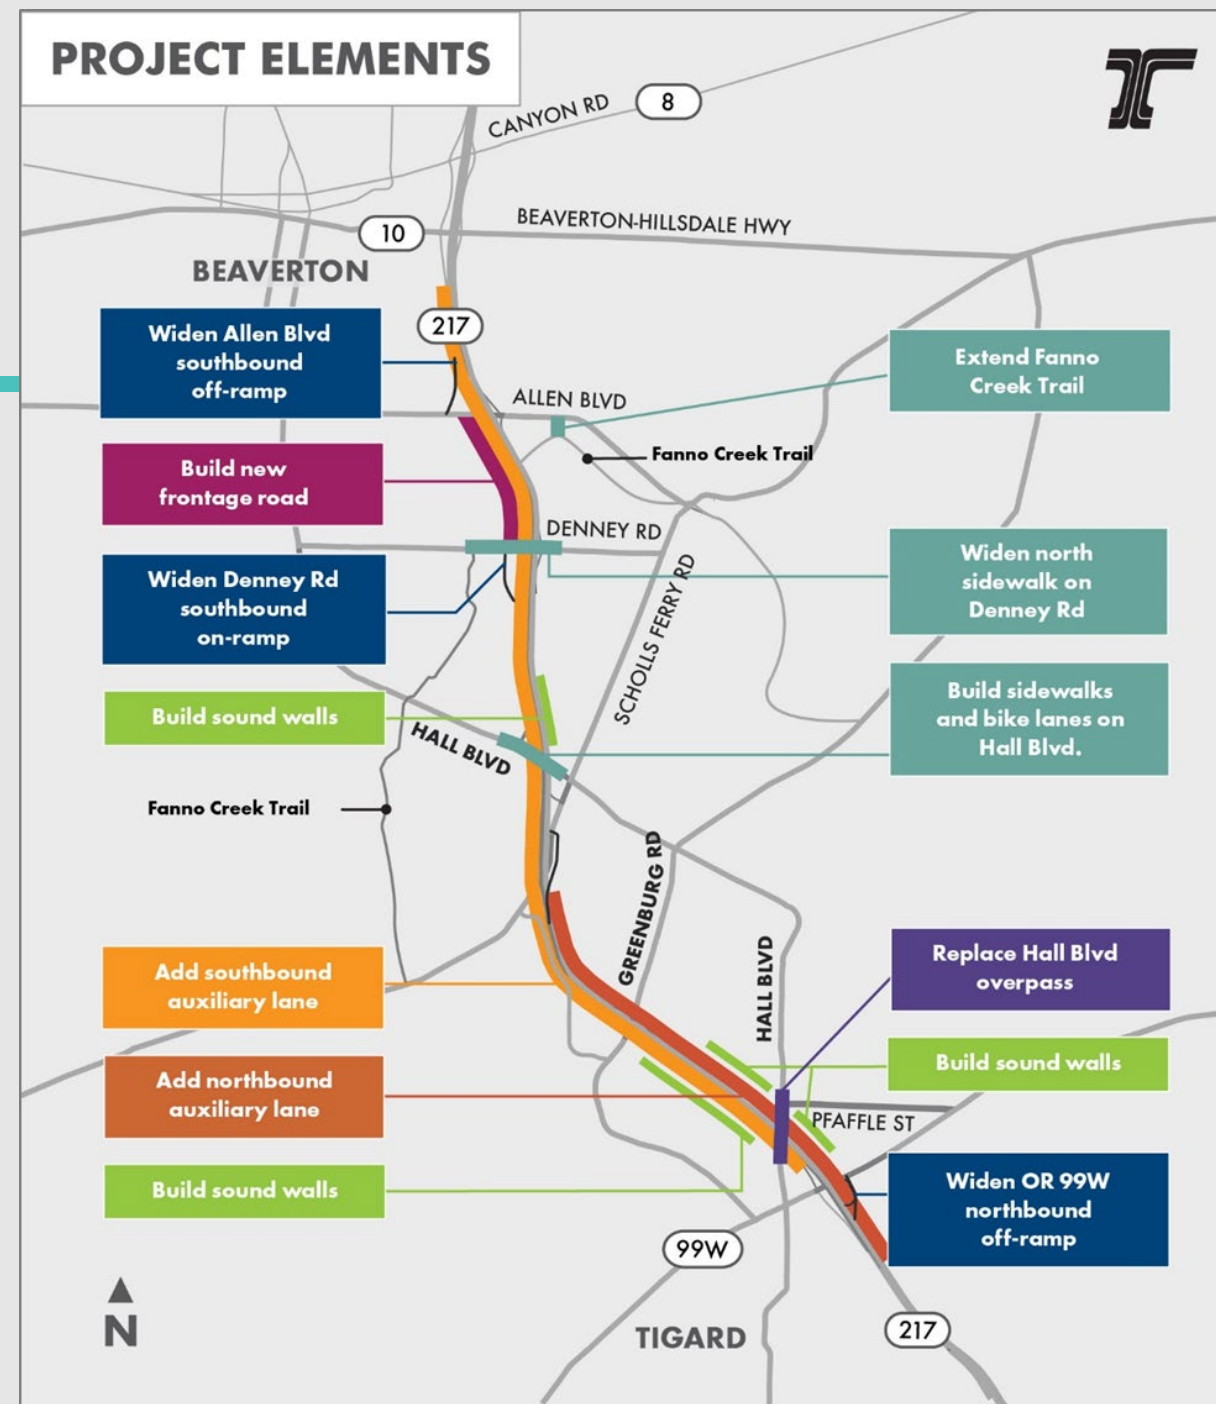

Stephanie Turner

ODOT Area Manager West

PROJECT OVERVIEW

- Improve safety, reduce bottlenecks and make OR 217 and the surrounding streets more efficient and reliable for people driving, walking and bicycling.
- We expect these improvements to save up to 73,000 hours of travel time each year and reduce crashes by 20-30%.

PROJECT STATUS – on track for 2025 completion

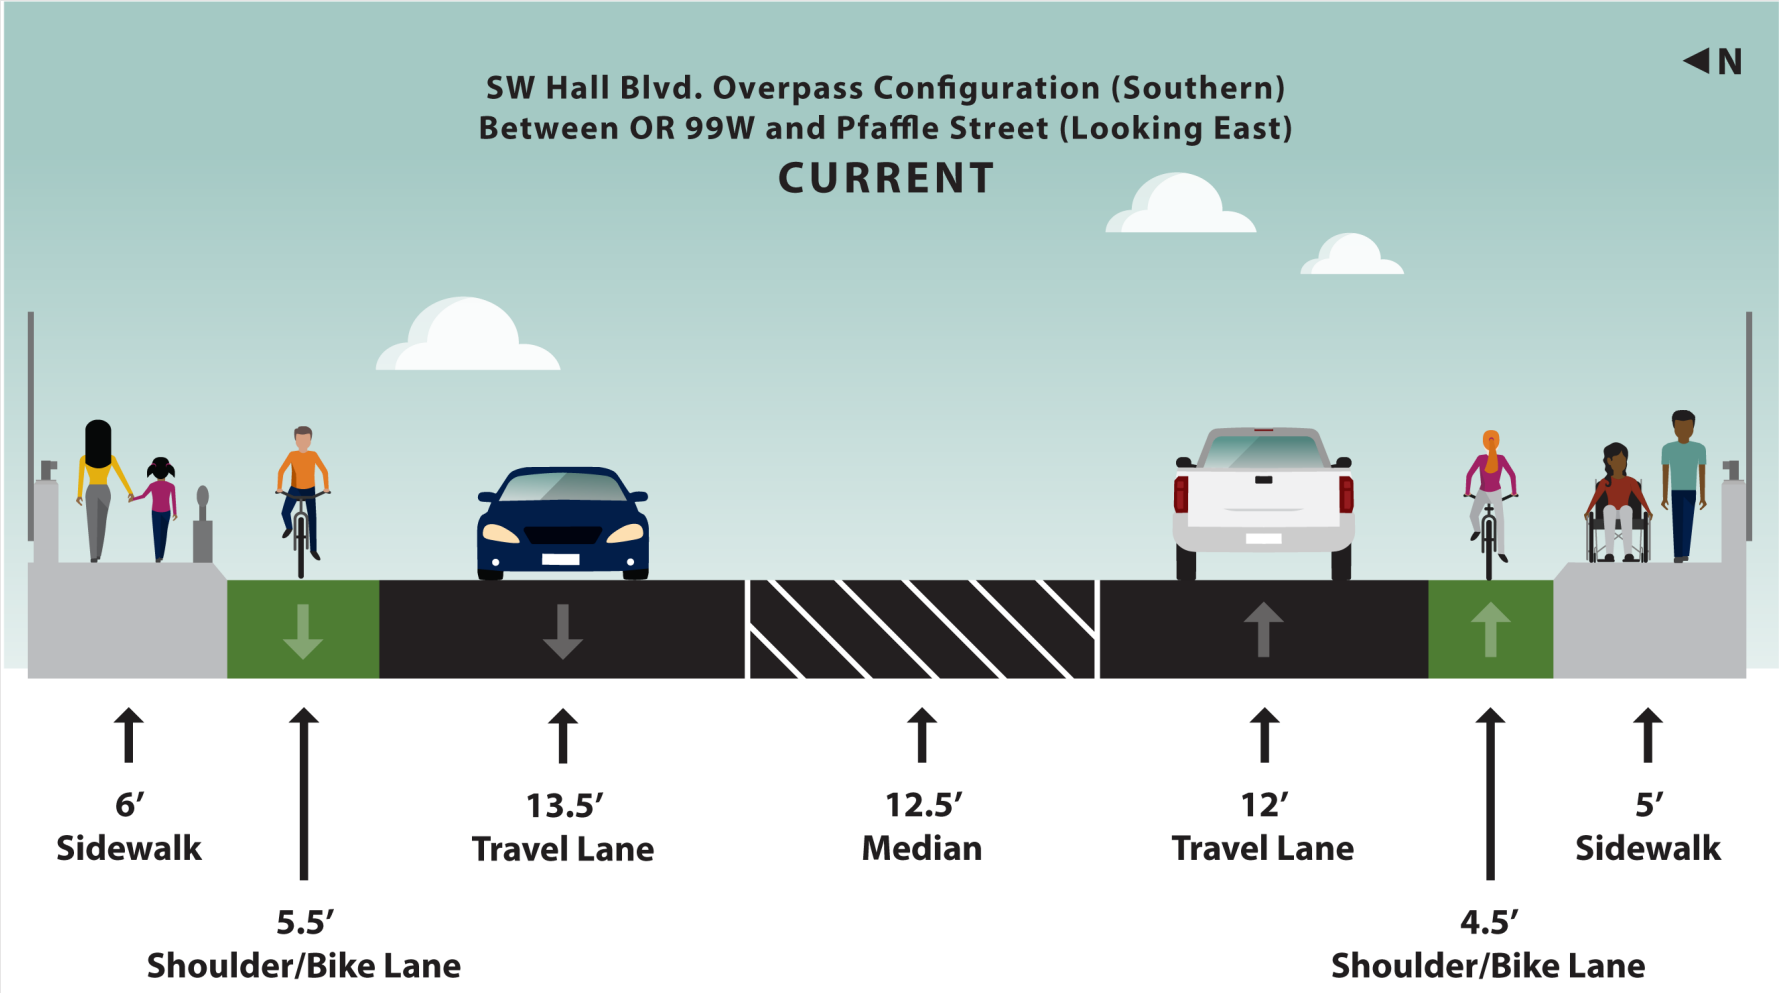

- ✓ Five miles of new auxiliary lanes are 80% constructed.
- ✓ New frontage road between Allen Boulevard and Denney Road opened in Nov. 2023.
- ✓ Widening of the Hall Boulevard overpass in Beaverton for new sidewalks and bicycle lanes will finish this spring.

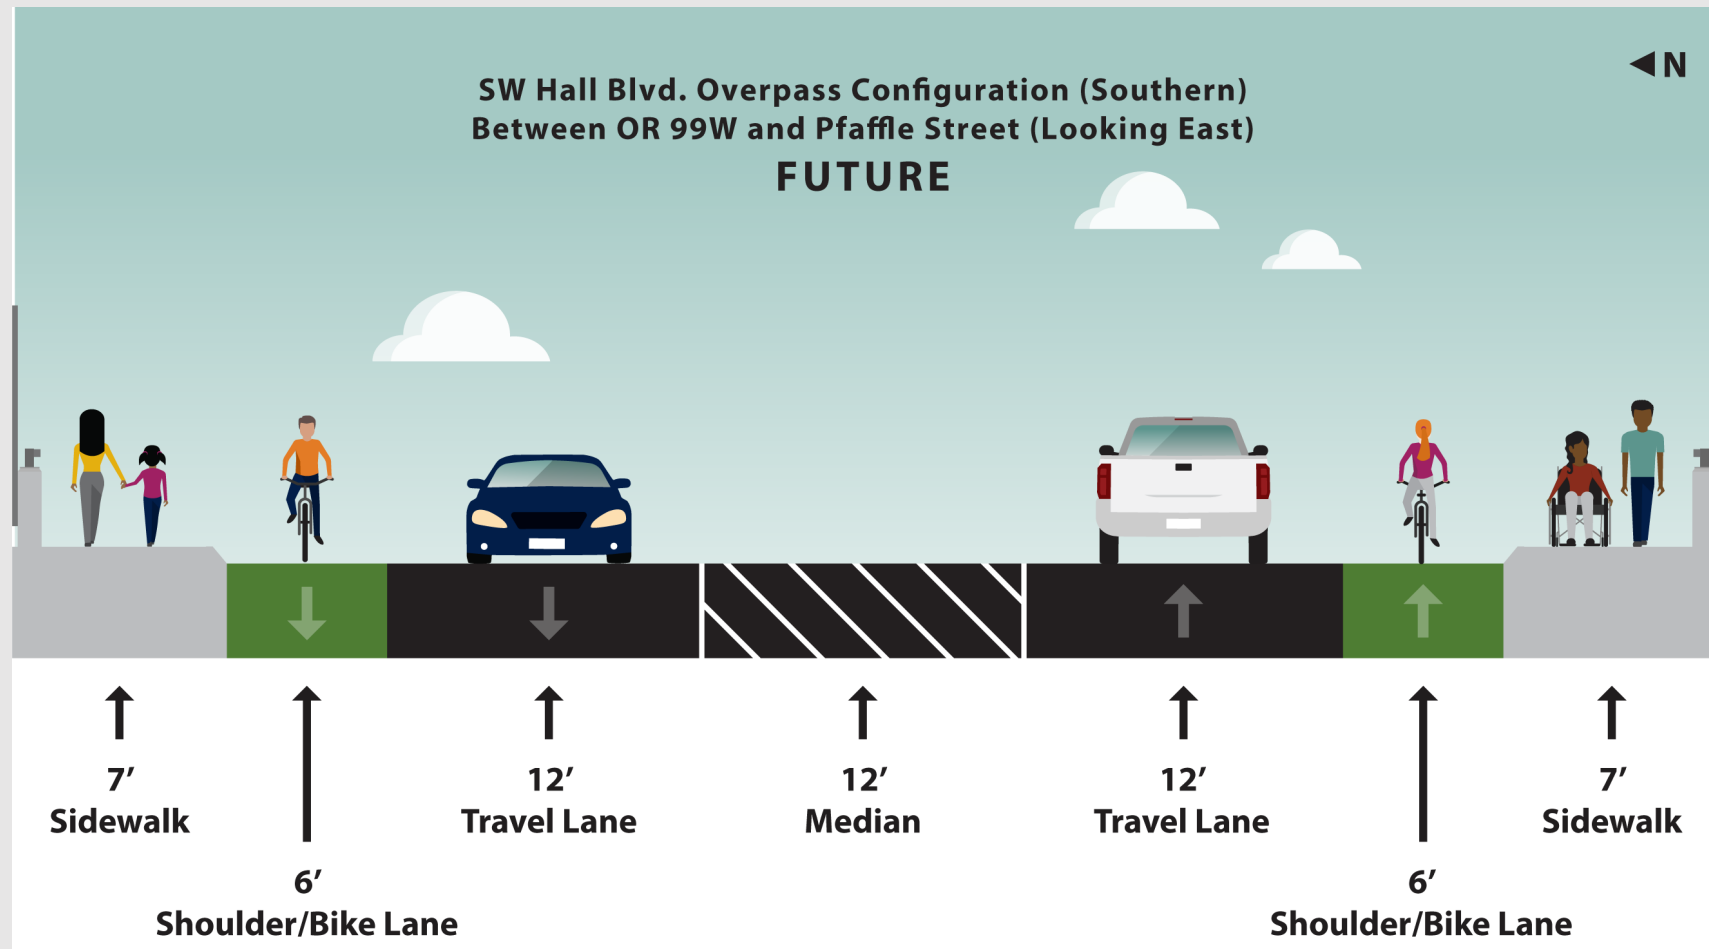

HALL BOULEVARD OVERPASS IN TIGARD will be closed for nine months

CURRENT HALL BOULEVARD OVERPASS

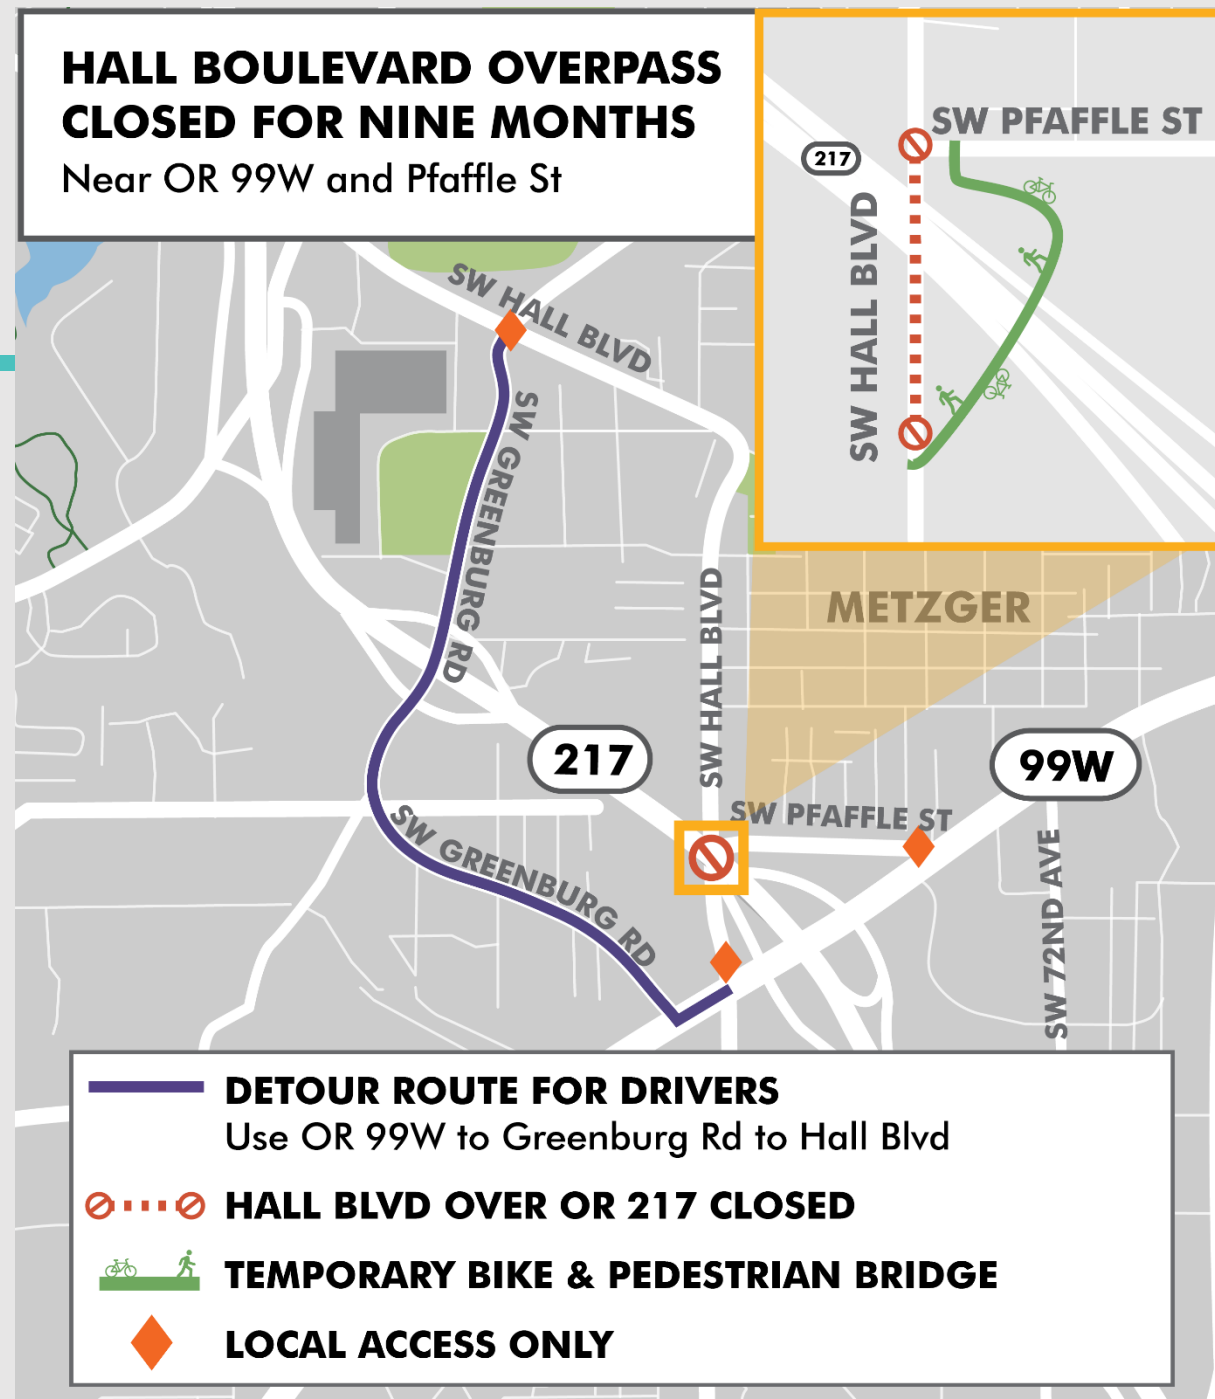

FUTURE HALL BOULEVARD OVERPASS
